## THE HISTORIC SERIES

In 1998, we began a project to create a series of Madeiras unprecedented in the marketplace: moderately priced wines with the aromatic fingerprint and quintessential texture and flavors of far more expensive Vintage Madeiras.

Made from small lots of the island's best stocks (many exceeding 30 years old), the Historic Series wines uniquely display the combinations of acidity, concentration, and richness that mark the finest vintage Madeira.

To emphasize America's deep historical connection to Madeira, each wine in the series is named for the three cities where Madeira was most popular in the 18th and 19th centuries:

Boston, New York and Charleston. The Historic Series labels feature old engravings of landmarks unique to each city.

As with any fine Madeira, each wine will maintain its freshness indefinitely after being opened, if recorked and left to stand upright.
